RHAN 2

When we were looking at the Present Tense tags, we saw that although we can change the tense by changing 'yn' to 'wedi', the tags remain the same in Welsh.

The same thing is true of these Imperfect Tense tags. Although the tense changes from the 'was / were' tense to the 'had' tense, by changing 'yn' to 'wedi' - in Welsh, the 'tags' remain the same. (In English the tags change, of course).
